

SLCC – Sun Lakes Camera Club  
November 9, 2023 6:30 pm  
General Meeting Minutes

- Joanne West made a very interesting presentation showing how her photographs draw the eye with properties of Visual Mass. Visual Mass is created using:
  - Lines
  - Light
  - Shapes
  - Colors
  - Subject
  
- Dan Dragoon reviewed the Photography classes starting in January 2024. Information and Registration sheets were available. The topics from Joanne's presentation will all be covered along with much more including getting the most out of your equipment, taking your images beyond the snapshot, and discovering the power of Perspective, Exposure, Lighting and Composition.
  
- Sam Palmatier presented additional trophies from last season's end of the year competitions.
  
- Sam also reviewed the upcoming meeting schedule:
  - There will be no meeting Nov. 23<sup>rd</sup>
  - The next meeting on Dec. 14<sup>th</sup> will be a competition meeting
  - There will be no meeting Dec. 28<sup>th</sup>
