

Learn Photography

Fundamentals of Digital Photography

Presented by
Sun Lakes Camera Club

Get the Most out of your Equipment
From Smartphones to Interchangeable-Lens Cameras
Take your images Beyond the Snapshot
Discover the power of
Perspective, Exposure,
Lighting and Composition

Classes start in January 2023

Introduction to Digital Photography

For those who are new to photography
Maximize the potential of your camera's automatic features
Phone, entry-level compact and bridge cameras

Mastering your Photo Technique

For photographers who want to move beyond the basic settings
Achieve superior results through lens selection and precise exposure
Interchangeable-lens and other advanced cameras

All classes meet Tuesdays 7:00 - 9:00 pm
Mirror Room – Sun Lakes Country Club
Detailed Class Notes provided for each session
Both courses include field and Lighting Workshops

All are welcome
Camera Club members and non-members
Beginners and intermediate photographers

Waiver of Liability

I understand that there may be occasional field trips by the SLCC and they may involve traveling to remote areas and hiking to photographic opportunities which could involve certain physical challenges and dangerous situations and that these outdoor environments, by their very nature, present certain risks and hazards that could result in serious bodily injury or damages. In consideration of the right to participate in such field trips and the services provided for me by the SLCC, I agree to assume all risks associated with such outings, accept all responsibility for my own welfare and will hold the SLCC harmless from all liability actions, claims and suits that could arise during my participation. This agreement shall serve as a release of responsibility on the part of SLCC, its officers, leaders, organizers, members and other participants.
